

# NEED TO WORK DURING MOVEMENT CONTROL ORDER (MCO) ?

The COVID-19 outbreak is a tragedy and has a growing impact on the Business Worldwide. Here in Malaysia, most non essential businesses were forced to close to stop this pandemic. All employees were forced to #StayAtHome#DudukDiamDiam.

**DOES BUSINESS NEED TO STOP?**  
*Not really... employee could still "Work from Home".*

Let us help your business to continue to be active during this challenging times.

**We offer:**

1. Setup online communication system between employee
2. Centralize online file management system and sharing
3. Cloud based file sharing and business calendar
4. Laptop Rental services
5. Cloud base file and folder backup operations

We are committed to help business to stay connected and productive during this challenging times. Please reach out to us to discuss any support you may need.

**“ WE STAY AT HOME FOR US “**
